

# HELPING BASEBALL PLAYERS BECOME CLASS ATHLETES.

Renegades Baseball is a volunteer, non-profit travel baseball club for boys aged 11 through 14. Our coaching staff has decades of experience, including coaching baseball at the college level. We pride ourselves in developing successful players, but our primary goal is to help young men become "Class Athletes."

## ***A PROGRAM TO JOIN AND SUPPORT.***

## ***CLASS ATHLETES STRIVE FOR EXCELLENCE.***

Class athletes commit to pursuing improvement through practice, and building a stronger character through sport. Nearly every player who completes our program goes on to participate in high school athletics, and they are all prepared to be “class athletes” on and off the field.

### **EXPERIENCED COACHES**

Dedicated volunteer, non-parent head coaches bring over 50 years of youth, travel, high school and college baseball coaching experience.

### **TRAINING AND COMPETITION**

We focus on the fundamentals on both offense and defense. We teach strategy and help players develop an understanding of the nuances of the game.

### **LIFE LESSONS**

Players are expected to have a healthy respect for the game, officials, coaches, teammates, and the competition.

### **PARTNERSHIP WITH MARYVILLE ACADEMY**

The Renegades have had a long-term partnership with Maryville Academy, using the baseball field on their campus. Visit [MaryVilleAcademy.org](http://MaryVilleAcademy.org) for more information on their organization and their mission.

We have made a significant investment in maintaining and improving the baseball fields on the Maryville campus. This is a strategic and beneficial partnership for our program:

- First-class fields for safe and enjoyable practice and games
- Attracts new athletes to grow the program at all age levels
- We can serve as a tournament host
- Opportunity for sponsorship by placing advertising on backstop and outfield fences
- Other area baseball teams are able to rent the fields for their games

***EXCELLENCE IS  
DEMONSTRATED  
BY EFFORT AND  
PASSION, NOT  
THE FINAL SCORE.***

## **BENEFITS OF YOUR SPONSORSHIP**

Your sponsorship supports the Renegades, and it is a mutually-beneficial decision for your business. The Renegades and other community teams use the fields for games and practices almost every day during baseball season.

Renegades Travel baseball is a well-established program founded in 1988. The program has remained committed to its core mission and development by Coach Bob Ugel. Multiple generations have been through the program, which makes our games a multigenerational event.

Approximately 14,000 players, coaches, and family members will be exposed to on-field advertising throughout the season. We also expect several thousand unique visits to our website.
